## Canadian Ship Flying U. S. Colors is Sunk, Berlin Claims

### NAZIS ARE REPORTED TURNED BACK AFTER TERRIFIC ENGAGEMENT

German general staff officers, wearing civilian clothes, begin arriving in Sofia, Bulgaria, apparently to clear the way for the big German units in Rumania, now poised for a thrust southward.

France notifies Japan she cannot accept a proposal to cede approximately one-third of the French Indo-China provinces of Laos and Cambodia to Thailand, informed Vichy sources say.

The German high command reports Nazi naval forces in the Indian Ocean have sunk the 7,178-ton British merchantman Canadian Cruiser and say the vessel was flying the United States flag and had American colors painted on her hull.

Authoritative British sources say "an open move" by the German army into Bulgaria is expected in the next two days.

British announce capture of village of Jumbo, near Chisinaio, at the mouth of the Juba river in Italian Somaliland.

The Tokyo newspaper Asahi quotes Japanese Foreign Minister Matsuda as saying any increase in Japanese military forces in French Indo-China is aimed at Chungking and not Singapore.

British fighters engage a Nazi air squadron five miles above Kent coast. Observers say the invaders were chased off.

### ACTION OVER CHANNEL IS FIERCEST SINCE MASS DAY RAIDS LAST FALL

Dover England, Feb. 22.—(P)—An armada of German and British warplanes clashed today in a great battle above the Strait of Dover at England's "corner of hell" facing the "invasion coast" and German warships figured in the action.

RAF squadrons swarmed over Dover on what appeared to be offensive sweeps against German-held France.

The action was one of the biggest and fiercest battles since the mass day raids of last summer and last fall. It started upon the appearance of formations of German bombers, escorted by fighters for full daylight attacks.

More than 100 British and German planes tangled in a five-mile high combat above the channel coast and observers said the Germans finally fled to their French bases.

German warships laid a smoke-screen on the water off Cap Gris Nez, on the French coast, which was indistinctly outlined in brilliant sunshine. New buildings recently have been constructed by the Germans there on the French cliffs.

Many of Germany's long-range guns used for periodic bombardments of the Dover area have been placed at Cap Gris Nez.

Watchers here expressed belief the Germans were extremely anxious to hide something from British eyes.

### JAP MINISTER SAYS INCREASE IN FORCES IS AIMED AT CHUNGKING

Tokyo, Feb. 22.—(P)—Foreign Minister Yosuke Matsuoka was quoted today by the important newspaper Asahi as saying that any increase in Japanese military forces in French Indo-China was aimed at Chungking, not Singapore.

He declared, Asahi said, that British propagandists appeared to be stirring alarm unnecessarily by "crying wolf, wolf, when there is no wolf."

The same paper commented politely but firmly on Premier Prince Fumimaro Konoye's absence from the Japanese parliament—purportedly because of illness—saying "there seems to be room for criticism of his continued absence and his occasional illnesses at the most critical times."

(Konoye has been reported ill for 12 days and his early appearance before the diet has been regarded as unlikely. Several times in the past the tall, thin prince has taken to his bed at times of crisis. These retirements sometimes have been regarded as political.)

The statements attributed to the foreign minister were said to have been made last night at a press conference to which foreign correspondents were not invited. It was the second such conference in as many days.

Matsuoka was quoted as reiterating that he had recently answered a British inquiry concerning Japanese mediation between French Indo-China and Thailand, adding some personal views on world peace, but that his remarks should not be interpreted as offering to mediate in the European war.

### GERMAN GENERAL STAFF OFFICERS IN CIVILIAN CLOTHES ARE IN SOFIA

Sofia, Bulgaria, Feb. 22.—(P)—German general staff officers in civilian clothes began arriving at Sofia's leading hotel this afternoon.

Groups of radical students demonstrated in front of the Royal Palace against German occupation of Bulgaria as the officers began occupying luxurious suites at the hotel.

Watchers along the Danubian frontier with Rumania, where an estimated 600,000 German troops are poised with pontoon bridges and war equipment, reported, however, that regular Nazi military movements across the river had not started late this afternoon.

However, road signs in German began to appear on posts along highways leading from the Rumanian frontier to the interior of Bulgaria.

The British institute, an educational off-shoot of the British legation, suddenly closed its doors and the four British directors hastened to leave the country.

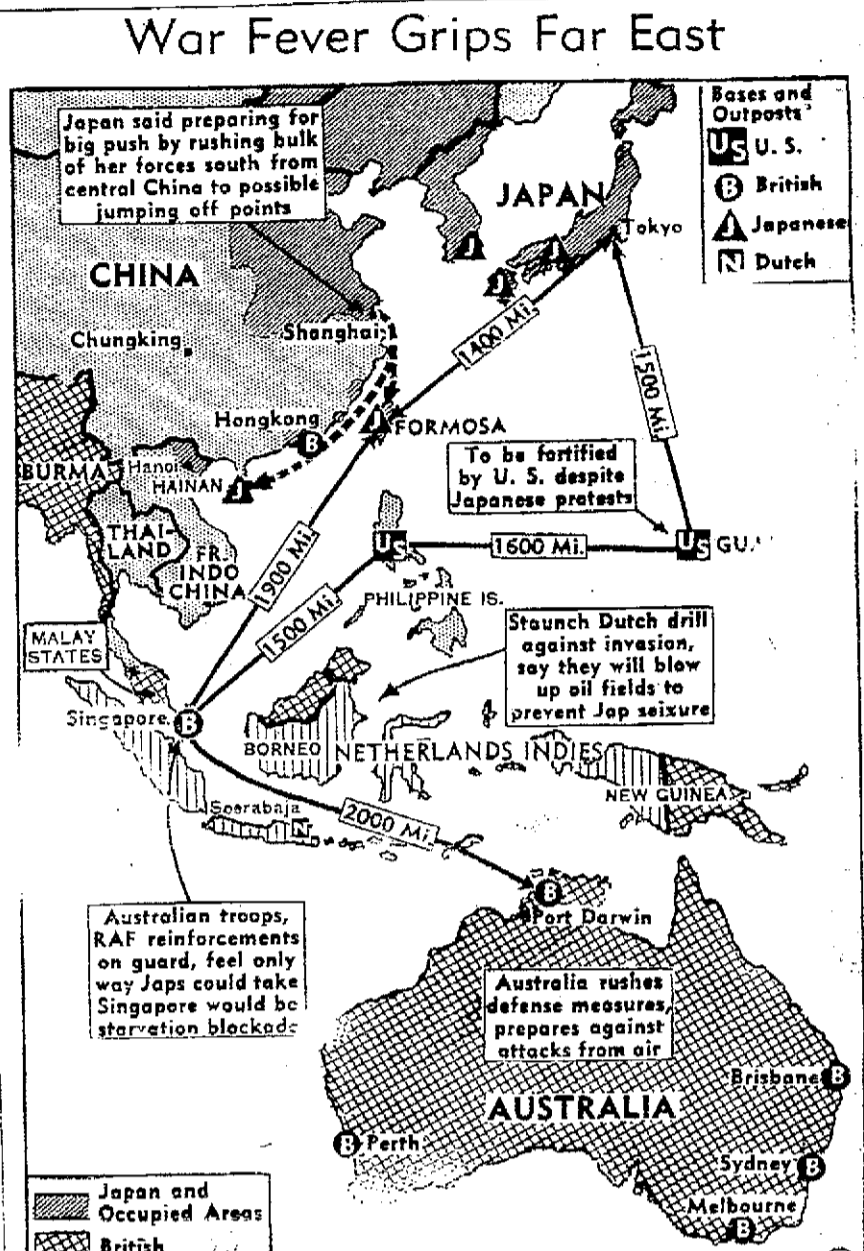

Nearly 50 radical Agrarian leaders of anti-German sympathy were rounded up by Bulgarian police without explanation.

More anti-aircraft guns were mounted on top of the national gank building in the center of Sofia.

Communist leaders were reported to have passed the whispered word among tens of thousands of their followers in Bulgaria to "resist the German invasion by non-cooperation and propaganda, but not by force."

Soon after the German officers arrived crowds of students marched in the streets singing nationalistic songs and shouting protests.

War tension is high in the Far East, with troops of Britain and Japan moving to defensive and offensive positions, respectively, and diplomatic breaks threatened daily. ### First Contingents Are Arriving Today At Indiantown Gap

BY RICE YAHNER  
Associated Press Correspondent  
Indiantown Gap, Feb. 22.—(P)—The big push to Pennsylvania's military reservation, "brightest on the Atlantic seaboard," started today with contingents arriving by rail from the north and west.

Major General Martin, commander of the 28th Division which is going into a year's training here, applied the superlative "brightest" in declaring that the construction program had so far advanced that there would be warm quarters and adequate food by the time all the 12,000 National Guardsmen arrive during next week.

Even the movement of the troops into the encampments, near the William Penn highway about 25 miles west of Harrisburg, is a problem in military preparations. The hundreds of military vehicles transporting incoming detachments from home station or (Turn to Page Nine)

### REICH'S OFFER FOR MESSAGES TO END TONIGHT

Berlin, Feb. 22.—(P)—The German radio's offer to take collect cable messages from Americans for radio program suggestions had cost the propaganda ministry \$9,000 up to noon (a. m. E.S.T.) today, broadcasting authorities said.

Up to that hour, 4,500 messages had been received. Limited to 25 words, their average cost was put at \$2, which must be paid in free currency—from which Germany presently suffers a painful shortage.

"But," said a spokesman, "I guess we can find enough small change to meet the bill."

The offer to accept messages expires tonight.

It was said here that British propagandists had urged "everybody in America" to send messages to Dr. Paul Joseph Goebbels' department of information would "go broke," and to use their two dollars worth to say biting things about Adolf Hitler and make the Germans pay for the uncomfortable remarks.

So the Germans were curious what the Americans would say.

Of the 4,500 messages, it was announced that 4,250 were "serious," unusually intelligent requests for music or talks on certain subjects.

The response was regarded as a sort of poll, giving an insight into (Turn to Page Nine)

### FRANCE REVISES POLICY IN ORIENT

Vichy, France, Feb. 22.—(P)—The French government has notified Japan it cannot accept a proposal that approximately one-third of Laos and Cambodia provinces in French Indo-China be ceded to Thailand, informed sources said today.

Some sources said the government would stand firm in its decision and even would permit hostilities to resume before accepting peace terms it regarded as too severe.

The Japanese-arranged armistice between Thailand and French Indo-China expires Feb. 25.

Observers here gained the impression that the attitude of the United States and Britain in the Orient would cause Japan (Turn to Page Nine)

Armed British Merchant Vessel Out of Montreal Which Reich High Command Claims Carried the Stars and Stripes Said to Have Been Registered in Lloyd's as Owned by Canadian Tramp Shipping Company Limited

### OTTAWA IS WITHOUT NEWS ABOUT INCIDENT

By The Associated Press  
Berlin, Feb. 22.—An armed British merchant ship out of Montreal which the German High Command said displayed the United States flag and had the American colors painted on the hull "to conceal its nationality" was reported today to have been sunk in the Indian Ocean.

The 7,178-ton ship was identified as the Canadian Cruiser, registered in Lloyd's as owned by the Canadian Tramp Shipping Company, Ltd., and she was sunk, as today's German communiqué said, by "German naval forces."

The report that the Canadian Cruiser flew the United States flag should be of gravest concern to Washington, German circles said.

It was indicated that if every ship with an American flag must be suspected by German sea raiders as being actually British, "a most unfortunate incident" might occur.

With the best intent and through no fault of its own, they said, a German raider might attack a United States vessel.

Authorized spokesmen said they suspected that "an unfortunate mistake" was precisely what Britain hoped for.

The daily war bulletin reported the sinking of two other ships—one of 4,500 tons by a submarine and another of 5,000 tons by bombers.

The High Command said British planes dropped explosives and incendiary bombs in a few places in northern and western Germany, but declared damage was limited to "one farmyard."

Informed Germans said a 7,000-ton merchant ship was sunk today in a bomber attack on a convoy northwest of Scotland.

These sources declared two other ships of 5,000 tons each were damaged by bombs.

### Flare Party Planned On Hilltop Tonight

Kane, Feb. 22.—(P)—The first ski jumping under artificial lights in this winter sports center will be attempted tonight in an exhibition at a "flare party" on Big Gustly slope.

Flares and electric lights will be used to illuminate the hillside during the exhibition, a feature of Kane's winter carnival.

Dorothy Hau, a Kane high school senior, was crowned crystal queen at ceremonies opening the carnival last night. The first queenly act of the 17-year-old brunette beauty will be the presentation of an award tomorrow after the Erie-Emporium hockey game.

Visitors' ski races will be held on Big Gustly slope during the carnival.

Washington Birthday Ceremonies in Nation Take on New Significance For Americans

### SCOUT PILGRIMAGE

Pennsylvania and the nation honored today the memory of George Washington with ceremonies that took on a new significance for all Americans.

Focal point of the state's observance of the 209th birthday of the father of his country was Valley Forge, where in the winter of 1777-78 Washington and the ragged Colonial troops faced one of the severest tests in the struggle for liberty.

Patriotic American and Greek organizations joined there for special exercises with an honor guard of cadets from Valley Forge Military Academy in colonial uniforms, girls in native Greek costumes, and men in Greek army uniforms.

A special service was listed for the Washington Memorial Chapel to demonstrate the unity of purpose of the defenders of democracy (Turn to Page Nine)

Over 7,500 Packard Employees at Detroit Unable To Work as Indirect Result of Labor Dispute at Motor Wheel Corporation

### DEFENSE WORK HALTS

A strike against the Motor Wheel Corporation went into its tenth day today with 2,500 men idle at the firm's Lansing, Mich., plant and 7,500 Packard employees at Detroit unable to work as an indirect result.

The AFL-United Automobile workers called the strike after a contract dispute. Defense orders totaling \$1,400,000 are tied up.

Officials of the Packard Motor Company said they were forced to shut down their automotive divisions at Detroit because they could no longer get wheels from the Lansing factory.

General Motors' Fisher body division at Lansing shut down last night for the third time in 24 hours, and as a result the Oldsmobile factory also was forced to close, throwing a total of about 3,200 men idle.

A statement continued at Milwaukee, Wis., where for more than a month CIO-United Automobile Workers have been on strike against the Allis-Chalmers Manufacturing Co. (Turn to Page Nine)

### FIVE ARE HURT IN ACCIDENT TO BUS NEAR KANE

Kane, Feb. 22.—(P)—Police today sought the driver of a black coupe that forced a Buffalo-to-Pittsburgh bus of the Edwards Line off Route 219 two miles south of Kane, injuring the driver and four passengers.

Jack Kaffee of DuBois, the driver, told police he swerved his bus into a snow drift to avoid a head-on collision with the coupe, which did not stop. The bus struck a boulder and careened back onto the highway.

The most seriously injured were identified at Kane Summit Hospital as Edward R. McPoland of Johnstown, head and leg injuries, and Mrs. Harriet Yont of Bradford, suffering a possible skull fracture. Their condition was reported good today.

Kaffee and Mr. and Mrs. James Girardino of Niagara Falls, N. Y., were treated for minor injuries and discharged.

### PATRIOTIC CEREMONY PRECEDES ADDRESSES

Washington, Feb. 22.—(P)—The administration's British aid bill was denounced by two of its opponents in the Senate today as a measure which would confer upon President Roosevelt the power to plunge the United States into war.

Senator Taft (R-Ohio) declared in a speech prepared for the sixth day of debate on the legislation that "we are asked to give one man the power to take us into war and by passing the bill in its present form we are, in effect, approving a war policy if he sees fit to declare it."

An assertion that "complete war-making powers" would be given to the president was made by Senator Capper (R-Kas.) in his address, likewise prepared for Senate delivery. Capper also said Mr. Roosevelt would gain "complete control over our domestic economy" if the legislation is enacted.

The hour for starting debate was delayed somewhat by the Senate's customary observance of George Washington's birthday anniversary. Senator White (R-Maine) was chosen to read the first president's farewell address, a ceremony which held first place on the calendar of today's session.

Extension of a 2,000,000,000 loan to Britain for purchase of military supplies in this country was advocated by Taft as an alternative to the administration's program for lending and leasing the airplanes, (Turn to Page Nine)

### SLOT MACHINE FILMS SUBJECT TO CENSOR

Harrisburg, Feb. 22.—(P)—Films used in commercial slot machines are subject to review, approval and license by the Pennsylvania state board of censors, the attorney general's office ruled today.

In addition, Attorney General Claude T. Reno said, the board should charge a \$2 fee for examining such films.

The attorney general had been asked by the board if 15 millimeter films prepared for commercial slot machines were subject to censorship and what fee was to be charged for reviews.

The formal opinion was delivered to Francis E. Haas, state superintendent of public instruction.

### THREE CRASHES INVESTIGATED IN THIS SECTION

Slippery highways were the cause of three crashes in this section last night and this morning, damaging several cars but injuring no persons.

At 11:45 o'clock last night cars operated by William H. Nichols, of Ludlow, and Frank VanHorn, 417 Rankin street, this city, collided on Route 6, one mile west of Clarendon. The front fenders and bumpers of both cars were damaged.

According to information given Private Joseph Ruffa of the State Motor Police, Nichols was proceeding west and was about to make a left turn but skidded and collided with the Warren car, going in the opposite direction.

Private K. W. Leeper investigated a three-car crash at Venture town this morning at 7:30, which occurred when a Studebaker sedan driven by Ernest Hultberg, of Chardlers Valley, skidded while passing a cinder truck and struck a truck driven by Edwin Gage, 112 Newton avenue, Jamestown, going in the opposite direction, north.

The Hultberg car first skidded into the oncoming truck and it struck the cinder truck which was driven by George D. Winslow, of North Warren, driving it into the west ditch. The entire left side of the sedan was damaged while damage to the Jamestown truck consisted of bent fenders, broken fog lights and steering apparatus. The cinder truck was only slightly damaged.

A truck and a Ford coupe were slightly damaged about seven o'clock this morning about 300 feet east of the Glade bridge on Route 6. The coupe, driven by Marvin Reiff Clarendon R. D., going west, started to make a left turn when it was struck by the truck driven by Mark S. Fairweather, DeYoung, Pa., proceeding in the same direction. The accident was investigated by Private N. B. Johns.

Members of Company I, 112th Infantry, of the Pennsylvania National Guard, mobilized at the state armory for special training at Indiantown Gap, will be guests of honor at a farewell service Sunday evening at 7:30 o'clock in the First Presbyterian church.

This service is under the auspices of the Warren County Ministerial Association and is held in recognition of the indebtedness of the community to these men, and to let them know that the best wishes and prayers of friends go with them.

The sermon, on "Keeping Spiritually Fit," will be delivered by Rev. J. A. Davidson. Scripture reading will be by Rev. J. C. Wygant and prayer will be offered by Dr. T. E. Colley. Rev. Harold C. Warren, Presbyterian pastor and president of the county association, will preside.

This is a united community service. The public is cordially invited, as well as members of the various churches of Warren, and a special invitation is given to the relatives of the guard members.

Taking part in the celebration of the 50th anniversary of the work of the Salvation Army in Warren, the First Presbyterian church will welcome as its Sunday morning speaker, Major William G. Harris, divisional commander of the Salvation Army for western Pennsylvania.

## State American Legion Commander Speaks at 6th Annual Washington Birthday Dinner of Warren Post

Charging that the people of this country are closing their eyes to the passing events, Charles S. Cook, state commander of the American Legion, told those in attendance at the sixth annual Washington's Birthday dinner of the local post and auxiliary at the Y. W. C. A. last evening that they should put forth every effort to carry out the preparedness program of the Legion.

In the present activity of the government in building up its army, history is repeating itself, Commander Cook said. He recalled the days of 1916 when troops were sent to the Mexican border for tactics, pointing out that many of those soldiers did not return to their homes before the United States was involved in the first World War. With war raging in the continents at the present time, he said, the same situation may be true with those who are being sent into camp under the Selective Service and National Guard training programs.

Commander Cook urged the local Legion post to cooperate in the home defense program of the state organization and told members they have an obligation to carry out the plans for instruction of youth who may be called under the Selective Service act.

There were more than 150 Legionnaires, Auxiliary members and guests at the dinner last evening, which opened with the singing of the Star Spangled Banner and invocation by William I. Walker, acting chaplain of Chief Cornplanter Post.

Following the dinner, Richard Hansen, general chairman of the affair, welcomed those present and introduced N. K. Wendelboe, commander of the local post, who brought greetings to the guests. After expressing appreciation to the members of his committee for their work, Mr. Hansen introduced Melvin G. Keller, past commander of the post, who acted as toastmaster.

American Legion and Auxiliary officials who were introduced and spoke briefly included the following: Mrs. E. W. Rippe, of New Bethlehem, western department vice president of the Auxiliary; Mrs. Harry Piper, of Altoona, department vice president; Everett Gillette, of Oil City, department 40 at 8 o'clock; Maurice McDonald, of Ridgway, commander of 28th district; Daniel Hartbauer, of Pittsburgh, department western vice commander; and Thomas V. Doud, of Philadelphia, national field secretary of the American Legion.

The toastmaster also introduced local Legion and Auxiliary officers and delegations from Oil City, Sharon, Kane, Sheffield, Tidouate, Youngville, Greenville, Ludlow and New Bethlehem.

Sharing the limelight with the state commander of the Legion was Mrs. Arthur I. Beaver, of Dravosburg, state president of the Auxiliary.

In her address, which preceded that of Commander Cook, she outlined the work of the women's units throughout the state, speaking particularly of the hospitalization work, child welfare activities and women's interest in the national defense program.

Mrs. Beaver said that the Auxiliary is planning a registration day in March, similar to that being held this week by the American Legion.

Following the program, dancing

## Spirit of Try, Try Again Finds Corry Boy Place in Army

Pittsburgh, Feb. 22—(P)—Albert Robert Baressi, a husky young machinist from Corry, thought there was something fishy when Army examiners rejected him yesterday because his teeth were "unserviceable."

He wandered back to his hotel, dejected.

"I couldn't go back home," he said. "After all, we'd been having farewell parties for two weeks, and the fellows at the shop had given me a wrist watch and all that."

After pondering the situation a while, he walked determinedly back to induction headquarters and had the recruiting staff look over his molars. They were pronounced okay.

"We're closing for the day. Come back Monday and we'll put you in the service," sergeant said.

"I want in the army right now," said Baressi.

The sergeant took him to Lieut. Col. A. M. Milligan, who reviewed the case, said a mistake had been made and that Baressi would make a good soldier. Which pleased Baressi no end.

## Noted Orchestra Leader Coming

Johnnie "Scat" Davis is not intentionally becoming the white edition of Cab Calloway. He didn't wish to imitate. He was just scared.

Seems that having been a trumpeter only since he was 16 and with an orchestra since the age of 12, Johnnie, when only 14 or 15, had to sing a solo with Jack O'Grady's orchestra in Terre Haute, Ind. He had been born in near-by Brazil, Ind.

The name of the song was "Don't Bring Me Posies" and it was the first solo before an audience he had ever attempted. He felt he would have to bring him posies—maybe lilies—after what the audience would do to him.

So, after swallowing his Adam's apple several times and making one or two starts, he tried "crowing" the song. He had never heard a "scat" singer, but that is what he became from that day, and made a great hit at it.

Johnnie "Scat" Davis got fed up one recent week-end with restaurant fare and decided he wanted a

George Washington, Young Soldier, An Inspiration for Our New Army

The new soldier of today doesn't look much like George Washington did, but he has the same goal: the independence and defense of his homeland. The painting of Washington, by Charles Wilson Peale, was made sometime before the Revolution.

EQUAL NUMBER OF BOYS AND GIRLS BORN IN WARREN DURING 1940 NEW REPORT OF HEALTH BOARD SHOWS

The number of children born in the Warren during 1940 was evenly distributed as to sex, it is revealed by the annual report of the board of health, submitted by the secretary, Dr. R. F. Otterbein.

Of the 452 children born, male and female were each represented by 226. 231 were born to residents and 221 to non-resident parents, all of the latter being born at the Warren General Hospital.

The boys, however, trailed in the twin department, for of the six sets of twins, five were girls and one a boy and girl.

It is interesting to note that of the children born, 175 or 38.7 per cent were the first child of the mother, 434 or 96 per cent were born at the maternity hospital.

July saw the most births in the borough, 51, while October was next with 49 and May third with 45. The smallest number was recorded in February, 26, with January next, 29.

The statistics also show 238 deaths in the borough, 72 of these being non-residents. Deaths were fairly evenly distributed as to months, although the highest was recorded in July, 27, and the lowest, 15, in April.

Deaths by months were as follows: January 19, February 20, March 19, April 15, May 19, June 22, July 27, August 21, September 17, October 22, November 20 and December 17.

Of the deaths, 166 died in the home and 72 at the hospital. All but two of the 72 non-resident deaths occurred at the hospital.

The report shows three deaths by suicide, all with firearms, one by accidental drowning, six traumas by fall, two industrial accidents, one by accidental firearm discharge, two from burns, two by train and five by automobile. Dis-eases of the circulatory system were the cause of 77 deaths while epidemic and contagious diseases accounted for nine.

The table of communicable diseases reveals a total of 466 cases against 296 in 1939, with scarlet fever and whooping cough the cause of the sharp increase. In 1940 there were 188 cases of scarlet fever against 48 in 1939 and 148 cases of whooping cough, as compared with five the previous year. Chicken pox dropped off, however, with 108 cases, 103 fewer than in 1939. Measles declined from thirteen to seven; there were three cases of mumps against two the year before and two cases of typhoid fever compared with one in 1939, but one of the former was reported for treatment. Pneumonia dropped from thirteen to nine, with one being imported, and there was one case of infantile paralysis. No cases of the latter were reported in 1939.

Communicable diseases accounted for two deaths, typhoid one and pneumonia one.

Questions TO DECIDE in planning for the future of your estate

WHAT is the most efficient and economical plan for the settlement of my estate? ... Can I save my heirs money through possible tax economies? ... How should my life insurance be arranged as part of my estate plan? ... Would it be an advantage to provide a Trust Fund for my family? ... Who will be best qualified to act as Executor or Trustee?

These and other questions will occur to every thoughtful man planning for the future of his family. The experience of our Trust Department in estate management may aid you in reaching sound decisions. We should be glad to discuss the practical features of estate administration with you from the point of view of an experienced Executor.

**NOTICE**  
No. 21 March Term, 1941  
In the Court of Common Pleas of Warren County, Pennsylvania.  
To J. S. Turner, or his legal representative, or whoever may be the holder or holders of the mortgage hereinafter mentioned:  
Take notice, that on December 12, 1940, Charles V. Pickett presented his petition setting forth that he is the owner of certain Oil and Gas Leasehold situate in Tract No. 240, Sheffield Township, Warren County, Pennsylvania, one of said leaseholds containing 30 acres 93 perches, more or less, in the east part of said tract, and the other containing 25 acres, 6 perches, more or less, in the west part of said tract, and being fully described in said mortgage, that an unsatisfied mortgage upon said leaseholds remains of record in the Recorder's Office of said Warren County, given by M. S. Knight and F. L. Knight to the said J. S. Turner, dated December 8, 1910 and recorded in said Recorder's Office in Mortgage Book 40, page 339, and securing the payment of \$1800 and interest, that a period of more than twenty-one years has elapsed since said mortgage became due and payable, and that no payment to apply thereon has been made within said period, and praying for satisfaction thereof.

Whereupon, said Court ordered this notice served upon the parties first above mentioned, requiring them to appear in said Court on March 3, 1941 to answer said petition, and to show cause why the proper decree should not be granted, and said mortgage satisfied.

WILLIAM C. SPART, Sheriff.

SUNDEY D. BLACKMAN, Attorney for petitioner.

YOUR INCOME TAX

Exemptions Allowed Couples Married During Taxable Year

The credit for dependents as well as the personal exemption is required to be prorated where a change of status occurs during the taxable year, and these credits are allowable not only for the purpose of computing the normal tax but also the surtax. A fractional part of a month is to be disregarded unless it amounts to more than half a month, in which case it is considered a month.

For example, a single man and a single woman who were married on July 20, 1940, and lived together during the remainder of the year would be entitled to a personal exemption of \$1,766.67 in a joint return for the calendar year 1940, which amount is seven-twelfths of \$2000 for the husband and seven-twelfths of \$2000 for the wife while single, plus five-twelfths of \$2,000 for the period during which they were married. If separate returns are filed each is entitled to a personal exemption of \$888.88, which is seven-twelfths of \$2,000, plus one-half of five-twelfths of \$2,000. If during the year 1940 the husband and wife had the status of the head of a family prior to their marriage, he or she would be entitled to his or her pro rata share of the personal exemption of \$2,000 allowed the head of a family for the period prior to their marriage instead of merely that allowed a single person.

However, for the period of their marriage any exemption to which either might be entitled as the head of a family would be merged in the joint personal exemption for that period. The joint personal exemption allowable in the case of a couple who were married and living together during the entire year may not exceed \$2,000.

If a child under 18 years of age reaches the age of 18 years during the taxable year, the credit of \$400 is required to be prorated in the same manner as the personal exemption. For example, should the child's eighteenth birthday fall on June 30, the parent would be entitled to claim \$200 credit for the dependent child—that is, one-half of \$400. The same rule applies to other dependents where a change of status occurs during the taxable year.

Tribute to Be Paid Former Warren County Man Who Opened Oil Field in Texas

The following from a southern Texas paper will be read with interest by many in the county who hold in affectionate regard memories of the late Carl Cromwell, formerly of Sheffield:

By TONY SLAUGHTER Associated Press Staff  
The old Santa Rita No. 1, Reagan County discovery oil well in Texas that led to the biggest drilling campaign the southwest has ever known continues to give her daily production of eight barrels each 24 hours a day but the scenery around this "model town of the world" isn't the same.

The oil dust and grease covered rig that the late Carl Cromwell used to bring in Texon Oil and Land Company's discovery producer is gone.

A good steel rig has replaced the derrick and somewhere near the Bermuda-covered campus of the University of Texas, the old rig is "stacked" awaiting completion of the university's new petroleum building before she takes her stand on the campus as a memorial to Carl Cromwell and the millions that oil from university lands has reaped for the state school.

The old rig will have a place so close to the new petroleum building because it would interfere with construction.

There's going to be a ceremony at Austin when the rig is completed. The plans are indefinite but the widow of Cromwell, and their daughter, Carlene, both of San Angelo, are expected to be on hand for the ceremonies.

Mrs. Cromwell faced the hardships with her husband in search for the Permian pay back in the one source of income for Texas.

Navy Cook Book Is Going To Be Revised But Sailors Will Still Have Special Beans

BY MARY ELIZABETH PLUMMER  
New York, Feb. 22.—(AP.) The navy cook book is going to be revised, but the navy lads will still have their special beans, time-honored subject of quip but reputedly the tastiest beans on land or sea.

Mrs. Mary De Garmo Bryan, dietetics expert who has been named to head a committee to bring the cook book up to date, wouldn't know where to send a sailor to get a better dish of baked beans than a navy chef serves up, with hot cornbread, an average of once a week for breakfast.

"We wouldn't presume to try to improve on the navy's recipes in that respect—they're extremely good," said she, and she also doubted that the committee could improve on the apple pie.

The U. S. navy has a reputation for setting a palatable, well-balanced table, but some of the recipes in its cook book are 10 or 15 years old, and some haven't been revised since 1905.

Years of preparing food improvised in the meantime. Food research became an exact science.

The cook revision committee is part of a program organized recently by restaurant leaders working with George M. Moffett, director of the food products section of the national defense council.

But, to get back to the beans, this is one recipe which will remain unchanged:

Pork and beans for 100 men: 20 lb. beans; 2 lb. tomatoes; 2 lb. salt pork or ham fat sliced; 1 (one-fourth) oz. mustard; 1 qt. syrup; salt and pepper to taste.

Soak beans six hours in cold water. Simmer until soft. Turn into bean pot, add other ingredients and bake slowly 8 hours, adding a little water occasionally.

Mr. and Mrs. Paul Stein, of Corry, accompanied them.

Mr. and Mrs. Frank Whitley, of Corry, were Thursday evening visitors of Mr. and Mrs. Luther Johnson.

Mrs. Ethel Lloyd and Mr. William Stillman, of Mayville, were Saturday afternoon guests of Mr. and Mrs. Edwin Clark.

Mr. and Mrs. Lynn Stewart and children Marilyn and Tommy, of Buffalo, N. Y., and former residents of this place were Wednesday evening guests of Mr. and Mrs. Rea Eggleston.

Mr. and Mrs. Kenneth Stowell were Warren visitors Wednesday evening.

Mr. and Mrs. Ernest Robins and son Edwin of Spring Creek, were Monday visitors of Mr. and Mrs. Edwin Clark.

Sunday guests of Mr. and Mrs. Rea Eggleston were: Mr. Orrin Clark, of Jamestown, and Mrs. Marion Swanson and son, Johnnie, of Sinclairville.

Friends and relatives of this place have received word of a baby daughter born to Mr. and Mrs. Maurice Irvine, of Sugar Grove, Mr. and Mrs. Irvine were former residents of this place.

The Luther coffee social was held at the home of Mr. and Mrs. Hilmer Danielson Wednesday afternoon with a good attendance.

Control Of Skyrocketing Prices Is One Of Italy's Major Problems In War Time

Rome—Correspondence of special news service.—Control of skyrocketing prices is one of Italy's major war problems at home.

Prices of some essential foodstuffs already are fixed, and severe penalties—usually several years imprisonment—are meted out to food merchants who hoard rationed goods to sell surreptitiously at fancy prices. But more remains to be done, in the view of some Fascist observers.

A new step has been taken by the ministry of guilds in fixing the retailers' overhead and profits on clothing at a total of 24 to 29 per cent of the price, depending on the article. Thus, if the retail price of a cotton dress is 60 lire to the wholesale cost must have been 45.50 lire and the retailer's mark-up only 14.50 lire.

Before the order, fine woollens for men's suits had been marked up, in some cases, from 160 lire (\$8) to 250 lire (\$12.50) a meter (39 inches). Workers wear cheaper materials, but prices rose proportionately.

A woman who bought a second pair of shoes of the same kind and brand in six months, found the price had risen from 180 lire (\$9) to 220 lire (\$11). Low grade standardized types of shoes now are on sale by government order at a fixed average price of slightly less than \$5 (100 lire).

Food prices are a greater drain on the income of the Italian worker, manual and white collar worker, which is much smaller than that of the American.

Although Italy is shipping food to Germany, she has enough food to last with rationing, Italian experts say, until the new crops are in.

The problem of the ministry of agriculture is said to be to prevent hoarding, assure regular transportation and control prices.

Bread, one of main articles of diet, is not rationed at the bakeries. But spaghetti, like flour, is rationed. And many an Italian used to eat about 200 grams (seven ounces) of spaghetti or other wheat paste products daily. Now he is limited to 66 grams (less than two and one-half ounces) a day.

As substitutes to supply bulk in their diets, Italians are eating more potatoes, rice (also rationed to 66 grams a day), dry beans and peas, but these are difficult to find except in small quantities.

As for prices, in six months those of one Rome family advanced as follows:

White beans, from less than seven cents a pound to slightly more than 18 cents (three lire to eight lire a kilogram).

Apples, from eight cents to 14 1/2 cents a pound (3.50 lire to 5.50 lire a kilogram).

Canned tunafish, from 24 cents to 30 cents a can (4.80 lire to 13 lire).

Veal outfit, from 45 1/2 cents to 60 cents a pound (20 lire to 35 lire).

Canned string beans, from 15 cents to 27 1/2 cents a can (3 to 5.50 lire).

Canned peas, from 17 1/2 cents to 22 1/2 cents a can (3.50 to 4.50 lire).

Fresh carrots, from 17 1/2 cents to 42 1/2 cents a bunch (3.50 to 8.50 lire).

Onions, from 18 cents to 41 cents a jar (eight to 8.25 lire).

Some food prices are fixed, such as potatoes at two cents a pound (1.10 lire a kilogram) and milk about 11 cents a quart (250 lire a liter), but eggs cost more than six cents each (1.25 lire).

Despite these prices, neutral observers say the Italian worker, accustomed to meager fare, is not suffering from undernourishment, having fats, fruits and vegetables to balance his diet.

Occasional temporary shortages of olive oil, rice and potatoes in some cities, while other regions have plenty, are attributed to traffic lags. Severe cold weather followed by protracted, drenching rains made vegetables temporarily hard to find, even at high prices, at the first of the year, but that shortage was declared to be only seasonal.

Retail sales of 560,798 food stores in the U. S. amount to over \$10,000,000,000 annually, according to the Census.

Wrightsville

Wrightsville, Feb. 19 Sunday guests at the home of Mr. and Mrs. John Sandberg were: Mr. and Mrs. Conrad Sandberg, Mr. and Mrs. Albert Meelen, Mrs. Edna Turner and sons Johnny and Jimmy, Emma Meelen and Miss Shirley Peterson, of Erie.

The Luther League will be held at the home of Mr. and Mrs. Ernest Dyke, of Lottsville, Friday evening, February 22.

Mr. and Mrs. John Meehan and daughter Pauline, of this place, were Sunday visitors of Mr. and Mrs. Stein, of Petroleum Center.

### Lest We Forget

This month we join the millions of fellow Americans in honoring the memory of George Washington, "The Father of Our Country." His life was an epic in Americanism—in the simple, manly virtues of democracy.

Let us remember on this day the truthfulness of the little boy with the shiny new hatchet—the bravery of the young surveyor in Indian country—the fortitude of the leader of a forlorn hope at Valley Forge—and finally the temperate wisdom of the acknowledged leader of a great new nation.

## Irvinedale Scouts And Leaders Enjoy Movies at Meeting

The Irvinedale Girl Scout Troop held its regular meeting in the school building last evening, with a large attendance. The time was devoted to knitting and to the planning of a court of awards in March.

Leaders present were Ann McManus, Jeanette Valentine, Helen Olson, Eleanor Pees and Lillian Hunter, with Mrs. Lydie Hansen representing the committee. Two visitors were Mrs. John Daley and Mrs. Dale Hanks.

As a surprise feature, Dorothy Carlson presented a lovely birthday gift from the troop to Mrs. Hunter.

The Boy Scout troop, meeting at the same time, joined the girls' group for the showing of movies through the courtesy of Dale Hanks. With the boys were Jay Pees and George Johnson, leaders; George Valentine, Charles Knapp and Guy Ullinger, committeemen; Archie Hunter, Arnold Jewell and Mr. Hanks, guests.

The movies shown were "Let's Go, America" with Lowell Thomas as commentator; "Safari on Wheels"; and "News in the Air". At their conclusion, the Boy Scouts returned to their own meeting room.

The girls' meeting was concluded with an invitation to attend the Girl Scout birthday party to be held at the Y. W. C. A. on March 14 from 4:15 until 5:30 o'clock.

The next regular meeting of the troop will be March 7.

### CHERRY GROVE BIRTHDAY CLUB

The Cherry Grove Birthday Club was entertained Friday evening at the home of Mrs. William Johnson, 119 Russell street, with a charming Washington birthday party.

Centering the attractive dinner table was a bouquet of carnations, iris and snapdragons, surrounded by small flags and banded by red and white candles. Favors were small blocks of wood and tiny hatchets.

Thirteen members responded to the roll call when the president, Mrs. Ralph Hanson conducted a brief business session. Mrs. James L. Johnson, 17 Grant street, extended an invitation for the club to meet at her home on March 14.

The remainder of the evening was devoted to fancywork and Chinese checkers and the hosts was presented a reminder of the occasion.

ENTERTAIN WITH BIRTHDAY PARTY

Shirley and Buddie York entertained a group of friends at their home Thursday afternoon from four until six o'clock in honor of their birthday anniversary.

The birthday cake featured the luncheon served at 5:30 o'clock and the remainder of the time passed pleasantly with games. The little host and hostess were well remembered with gifts from the following:

Elizabeth and Robert Harris, Diantha Chesnut, Janet Davis, Lois Ann Eskin, Sharon Merkle, Carol Peterson, Donnie Saraceno, Timmie and Hugh Cederquist, Mrs. Jane Cederquist, Geraldine Braley and Mrs. Daisy Braley.

## Senior Class Play Chosen; Dates Set

The graduating class of 1941, through its committee composed of Jane Sherwood, Patty Knapp, Harry Conroy and Joe Summer, in cooperation with Miss Anna Louise Kahl, director of dramatics, has selected its play for spring presentation.

Chosen for the class play is the three-act comedy "Poor Dear Edgar" by William Davidson, to be presented to the public in the high school auditorium on the evenings of April 24-25.

Try-outs are next week and work on the production will begin at once.

## Musical Notes

Her many friends in Warren will read with interest that Mrs. James S. White, of San Antonio, Texas, is taking an active part in the musical affairs of her new home community.

She was paid a very high compliment in election to membership in the Philharmonic Club, limited to thirty musicians, and recently made her first appearance with the club as piano soloist. The result of that appearance is an invitation to give a 15-minute broadcast on March 13 over the San Antonio station, KABC. As her opening number, she will use "Valse Reverie" by Dr. LeRoy E. Campbell, her former teacher at the Conservatory here.

Another honor paid the former Warren musician is an invitation to appear in a Stephen Foster benefit program, in costume in May.

Also of interest to Warren friends is announcement that Horace Brynolfson, former Conservatory voice student, appears in two important engagements in New York over this weekend.

His parents, Mr. and Mrs. Paul Brynolfson of Corry, are in New York to hear him sing Friday night in Mendelssohn's "St. Paul," with the Washington Heights Oratorical and Choral Society, and Sunday afternoon in the Rose ballroom of the Hotel Astor with the Opera Association of New York.

Warren Concert Association officials have begun to plan for next season's attractions and it is hoped that some definite news will be available when this year's final concert is given by Abram Chasins, pianist and composer, on Monday, March 17.

Musical friends in Warren have received word that Miss Marjorie Phelps, dramatic soprano of Ridgeway who is now attending Cleveland Institute of Music, will be heard in a song recital at the Presbyterian church in Ridgeway on Monday evening, starting at eight o'clock.

## Some of the Things You Expect of Your Doctor

The average person expects much more from his physician than from almost any other individual with whom he deals.

Naturally, the physician is expected to be thoroughly informed on modern medical practice, and to have every facility for diagnosis, with an office equipped to meet any need or emergency.

The Doctor is expected to arrange social, business and domestic affairs so that he can be reached any minute, and to have modern motor facilities at his disposal in order to answer your call without delay.

Even free clinic patients expect him to be well-groomed and appear prosperous and professional.

The average Doctor spends most of his time and money trying to meet these expectations. He is usually studying, buying and working to better serve his patients.

# Dragons Stay On Pennant Route By Trouncing Dutch, 47-16

## Tucker Chalks Up 21 And Conroy 16; Kane Downed By Blue Jays

## RESERVES DOWN JAMES CITY IN SPEEDY PRELIM

## JIMMY WEBB IS Warriors On Top By WINNER OF BOUT Single Point; Grove IN GOTHAM RING Defeated By Russell

With "Red" Tucker and "Jap" Conroy scoring all but ten points and all but two field goals, the Dragons remained on the second half pennant route last night by trouncing the Flying Dutchmen of St. Marys, 47-16, on the Beatty hardwood.

Tucker racked up 21 points and Conroy 16, while Bob Wright and Johnny Pick each contributed a field goal to the total.

The Dragons got under motion very slowly and although they hitched plenty of close ones, which hit the rim or rolled around, it took them an entire half to get the range. Their defense was tight, however, and the Dutchmen scored their first field goal in the middle of the second quarter.

Myers' boys counted only five times from the field in the entire game, collecting three in the second and one in each of the last two periods.

The Dragon mentor used his entire first string, while Myers sent in his subs in the last three minutes.

The victory, 17th of the season, left the Blue and White tied with Johnsonburg and Bradford for first place. The Owls were hard pressed by the Ridgway Elks at Bradford but finally came through, 27-15, and the Blue Jays walloped Kane, 54-27, at Johnsonburg. The Wolves practically were eliminated from further consideration as a result of the thumping.

The Kolpin charges were as hot from the foul line as from the field last night, caging eleven out of fourteen charity tosses. The Dutchmen could score but six out of sixteen.

St. Marys scored a pair of fouls for their only score in the opening quarter and Pick and Conroy accounted for three apiece and Tucker four to put the local cagers in front 10-2 at the end of the frame.

The second quarter was thoroughly dull, with the Dragons getting eight points, thanks to buckets by Conroy and Tucker and four fouls. The Dutchmen scored seven points with three baskets and a foul and the score at the half was 18-9.

The heat came in the third. Squires got the only two-pointer for the visitors and Sennett, veteran forward, caged three fouls. "Red" and "Jap" went to town, each picking up a foul point as did Conroy. Brown and it was 32-14.

Tucker scored eight points in the finale and Conroy a pair of baskets, while Bob Wright hit the hoop for a double-decker and Don Sharp contributed a foul shot. St. Marys' two points in the period were scored when Sennett intercepted a loose ball and dribbled in for a lay-up shot.

On Tuesday night, the Dragons go to Kane and return here on Friday for their last home game, with the wretched Sheffield Wolverines furnishing the opposition.

It looked like St. Marys of old last night—at least up to a certain point, which is usually a very vital one—getting that leather into the hoop. Coach Rollie Myers' quint, most of whom are sophomores, incidentally, worked the ball around very nicely before taking a pot shot with one hand, both hands or a thumb nail, but they missed Phelan, Valentine & Company, who could toss them from any angle and from any position. Myers is very optimistic about the future Flying Dutchmen, however, and well he should be, for the youngsters who wore the St. Marys colors last night looked very promising.

Long before every club in the circuit will have to start worrying about them once more, as they did for so many seasons. On the other hand, Helms' reserves looked pretty fair, too, and the Dragons will be taking a back seat for no one if the youngsters come along as rapidly as they have to date.

Jameson's civic heads are far from blind to the benefits that the city has derived from sports, as witness the following remarks made by Mayor Leon F. Roberts on the occasion of signing the contract for the leasing of the new municipal stadium for Pony League games this summer:

"I regard this as one of the most forward steps taken by the city in a long time. It was evident during last year's baseball games in Allen Park that Jamestown was having a baseball renaissance which has given added spark and vitality to the community which has long been needed."

"There was a time when baseball and other recreational facilities were regarded as luxuries; now we know better than that. I am sure that when the season gets underway and the local team swings into action Jamestown generally will realize that the money spent for this stadium and recreational center was well worthwhile. I hope that next year the center can be developed further and that we may include a swimming pool."

There doesn't seem to be much sense in our dwelling on the local baseball situation, which is at a standstill at the moment. However, the possibility of new bowling alleys is brighter than it has been in many moons. Within the past week no fewer than a half dozen separate interests have been in Warren, inspecting possible sites for new slides. The building proposition is the only hurdle, but a couple of the interested parties have indicated that they would install no fewer than ten slides, while one interested party stated that he believed we shall be able to give you some definite information on the number and location of the new alleys which will be installed in Warren before next fall and perhaps yet this spring.

New York, Feb. 22 (AP)—The list of candidates to succeed Billy Conn as light-heavyweight boss was narrowed to three today by the sharp shots of Jimmy Webb's Irish fists.

The curly-locked brawler from Little Rock, "purged" one hopeful last night by punching the ears off Tommy Tucker, the Long Islander in nine rounds in Madison Square Garden.

It was a cozy little gathering of 6,085 who saw Webb tumble Tommy with a battery of bombs once in the muth and then tee off on him with everything in the book before Referee Frank Wuliam stepped in and stopped the punching-bag exhibition at 1:37 of that heat.

But, although the comparatively few fans rattled around the big Eighth Avenue sports palace, they were satisfied Irish Jimmy is going to be a very tough individual to rope and tie in the series of eliminations looking to (1) getting a successor for Conn and (2) having the New York State Athletic Commission and the National Boxing Association kiss and make up.

The knockout of Tucker, a rough and ready mauler who had never been stopped before, was the third "big thing" which has happened to Jimmy in recent months. First, he explained, he broke his collarbone. Then he got married. And then along came Tucker as a wedding present.

Kinzua and Russell came through in last night's Upper Allegheny League games, the Warriors nosing out Lander at Kinzua, 20-19, and Russell taking over the league leaders on the Lander-Russell home floor, 40-21.

Lander took a 5-2 lead over the Massamen in the first quarter, but Kinzua came back to take a 10-9 advantage at the half and held to the one-point margin until the final whistle. Culbertson, with ten points, was high for the Warriors points, while Lander and Wilcox divided 14 points evenly between them for Lander.

In the preliminary the Lander girls squashed matters by winning over Kinzua's lassies by a close score, 16-15.

Parks was the big gun for the Russell outfit, scoring 24 points while Abbott crashed through with 11, over half of the Sugar Grove total.

The Grove girls defeated Russell in the prelim, 27-20.

Sheffield, Feb. 22—The thing that has plagued Sheffield High's Wolverines more or less all season—a lack of capacity to play a full game at anywhere near the even tempo manifested by a team that wins—was evidenced again here last evening when the locals were defeated, 41 to 23, by their fellow North Leaguers, the Emporium Hi Tubers.

Sheffield was ahead through most of the first half and trailed by only 21-20 when the intermission arrived, but in the final half they could score a mere 8 points while the visitors were collecting a total of 20.

As was generally expected, the star of the contest was Captain Tom Leonard of the visiting aggregation, who staged a one-man scoring show in piling in 21 points for his team, Jimmy Campasino. Wolverine forward, was second high with 14 points.

The Wolverine Jayvees knocked off the visiting Seconds, 18 to 7, in the prelim.

### YEARS AGO IN SPORT

February 22, 1921—Tex Rickard, peer of boxing, said today that the heavyweight situation is little, if any, better than it was when they were scouring the sticks for a "white hope." Except for Dempsey, Willard and Carpenter, there isn't a good heavy in the business," Rickard said in New York.

February 22, 1931—The Dragons took it on the chin from Oil City for the second time Saturday night, when they lost 41-20 at Oil City. J. D. Sealise and Caldwell each got four field goals and Kelly contributed the only other two-pointer for the Dragons. The Seconds won the prelim, however, 28-26.

### THIRD TEAM THUMPS FOURTH SQUAD 62-14

Coach Leidig's Thirds gave the Fourth a sound shellacking in last evening's pre-preliminary as Lichtenberger ran up 19 points. Miller a dozen and Olsen ten. Everyone of the winning combination participated in the scoring. Samuelson and Karl counted doubly for the Fourth.

Luftwaffe, were directed principally at port facilities of Swansea, with other attacks on Plymouth, Bournemouth, Norwich and London, the Nazis said.

German bombers "effectively" attacked British troop concentrations south of Bengasi, Libya, bombed docks in that port and blasted the nearby airfield at Berka in a series of raids yesterday and last night, the High Command announced.

Ottawa, Feb. 22—(Canadian Press)—Canadian naval headquarters reported today it was "without any information whatever" regarding Berlin claims that German naval forces had sunk the British merchant ship Canadian Cruiser in the Indian Ocean and that she bore United States colors.

The spokesman added that any statement in denial or confirmation of the German claim would have to come from the British Admiralty, which controls empire merchant shipping.

GAY DRESS MAY BE EMBROIDERED Pattern 4707

BY ANNE ADAMS

"The flowers that bloom in the Spring" make an enchanting trim for this afternoon frock, Pattern 4707 by Anne Adams. They're in the form of optional, colorful embroidery motifs, and are done in a simple transfer pattern, with directions included in the ever-helpful Sewing Instructor. But even without the embroidery, this dress has distinctive charm. There's smart lines in those well-shaped yokes that may be in contrast. And there's soft flattery in the full-cut bodice, gathered below the yokes and darted above the waist. Have short or three-quarter sleeves with softening gathers. And notice the slimming treatment of the frock's skirt, with its THREE panels. A style you can't afford to miss.

Pattern 4707 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 3 1/4 yards 36 inch fabric.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

The NEW 1941 PATTERN BOOK by ANNE ADAMS is finished! So let Mr. Mailman bring the world of fashion to your doorstep. This colorful book brims over with easy-to-stitch outfits for every age. of 1776 and the embattled Greeks in their homeland.

Pilgrims from Pennsylvania, New York, New Jersey and Delaware gathered for a blessing from Archbishop Anthopoulos of the Greek Orthodox church of North and South America.

More than 7,000 Boy Scouts from Delaware and Montgomery counties assembled for their 29th pilgrimage to Valley Forge.

American Legion posts throughout the state will be open all-day for the registration of World War veterans for possible national defense service.

In Philadelphia, the Patriotic Sons of America scheduled one of its largest celebrations in 93 years at Independence Hall—birthplace of the nation.

The Military Order of the Purple Heart, which Washington founded, planned to decorate the statue of the nation's first president in front of Independence Hall.

Among the holiday sports events was the annual winter sports carnival at Kane.

The state capitol at Harrisburg was closed but local events were scheduled there and elsewhere throughout the commonwealth.

final shape bills to carry out its avowed intention of returning laws affecting labor to the status of 1937.

"We are making more progress now than in any session up to this time," said James L. McDevitt, president of the American Federation of Labor affiliate.

Both the Federation and the CIO Pennsylvania Industrial Union Council agreed generally on labor legislation, suggesting among other things:

Cutting from three to two weeks the waiting period for unemployment compensation benefits; and the labor relations acts to bring them back to the 1937 status; provide for licensing and registration of construction firms and restore the anti-injunction law to its original form.

Elsewhere in the capital, eastern and central Pennsylvania bankers met with national defense and the bankers' part in its progress focal spot of discussion.

James E. Walker, chairman of the State Agricultural Conservation Committee, announced tentative plans for a national marketing quota referendum among wheat growers May 31.

Action Over Channel Is Fiercest Since Mass Day Raids Last Fall

ed numerous fires in Swansea and added to England's mounting toll of casualties.

An official announcement said one of the Nazi raiders had been shot down by a British fighter and crashed in flames.

Swansea is the principal port for shipment of anthracite from Wales' extensive mines and is known as the "metallurgical capital of Wales."

The latest assault lasted three and a half hours, during which high explosive and incendiary bombs were showered on the coastal city.

On the offensive side an official announcement said the German naval base at Wilhelmshaven, the big ship-building center of Bremen and the port of Brest in Nazi-occupied France were heavily bombed during the night by the R.A.F.

The raid on Wilhelmshaven was the 43rd on that vital port reported by the British since the war began.

British bombers also attacked industrial targets in the Ruhr, the announcement said, "but with visibility rendering it impossible to observe details of results."

The Admiralty designated a huge triangular area of the central Mediterranean extending from Italy to Africa today as "dangerous to shipping" of all nations.

HOPKINS MAKES TRIP WITH CHIEF EXECUTIVE

Hyde Park, N. Y., Feb. 22—(P)—President Roosevelt and Harry L. Hopkins, spending the week-end at the Roosevelt family estate, had an opportunity to day to discuss without interruption wartime conditions in England.

Hopkins, who returned to Washington last Sunday from a trip to England as Mr. Roosevelt's personal representative, came up with the president from the capital last night. He previously had given the chief executive the more important results of his observations abroad.

Mr. Roosevelt has made it more or less a habit to spend Washington's birthday at his Dutchess county home. He planned no special activities today, however.

against the German "invasion."

The Germans watched the demonstrations from their hotel windows without comment.

They arrived in ill-fitting civilian clothes, with shiny black military boots showing from under their long raincoats.

Cafes, restaurants and hotels were filled with the wildest rumors. But apparently only Premier Bogdan Philoff, his minister, King Boris and their closest associates really knew what was going on.

Istanbul, Turkey, Feb. 22—(P)—The Turkish press displayed increasing concern today over prospects of a German march into Bulgaria. Newspapers asserted flatly that Bulgaria was about to let Nazi armies march across that country to get at Greece.

Germany is ready for attack through acquiescent Bulgaria," said the Istanbul newspaper Demokrat Plitika, which is regarded as officially inspired.
